AODN Conference

Annual conference with Assumption University, 21 – 22 October 2022

IFSAM would like to thank the leaders, the organizing committee members and the other members of the Asia Organizational Development Network ([AODN](#)), a full member association of the Federation, for the AODN 2022 annual meeting. We would like to congratulate the AODN leadership for the online organization of its 16th annual meeting during this difficult period and for presenting such an important and topical theme: *"Organization and business management in the dynamic digital dimension"*.

We truly appreciate the kind invitation of AODN's president, [Lee Lu](#), to the president of IFSAM to address the conference participants at the conference opening ceremony on October 22.

This was the third time that the president of IFSAM has participated in the AODN annual conference (2020-2022), since AODN joined the Federation in 2018. We are delighted to have been involved and we hope this will become an annual tradition, so that AODN members can keep abreast of IFSAM's evolution and IFSAM can remain in touch with AODN members.
